PRICING

We appreciate you contacting Baltimore Tax & Accounting about our services and the related cost for income tax preparation. The enclosed information is being made available to you so that you can make an informed decision. It is not a binding agreement. We do NOT give guaranteed, binding quotes prior to seeing your tax information.

We've done our research. Our pricing is lower than most "National" tax preparation chains and definitely lower than most CPA firms. The owner, Gary Bowen, is a CPA with 37 years of experience. Our pricing is very competitive.

STANDARD TAX RETURN

Our standard income tax engagement includes the following:

1. Federal tax return
2. Ohio tax return
3. Ohio School District (if necessary)
4. 1 city income tax return (if necessary)

WHAT DO YOU NEED TO FILE?

We help you to determine which tax returns you're required to file by looking up your home address to determine which school district(s) and municipalities you're required to file.

ELECTRONIC FILING

We electronically file all required tax returns except the cities. City tax returns must be paper filed by mail. We provide pre-addressed envelopes for your convenience.

APPROXIMATE PRICES

1. **Single Taxpayer, 1 W-2**
\$175 approximate cost
2. **Married Taxpayers, 2 W-2s, children**
\$250 approximate cost
3. **Kids returns**
\$75 approximate cost
These are dependent kids that have part-time jobs and are still in school.

4. Price matching

If you have a price quote or are used to paying a lower fee, please tell us. We will consider lower pricing but it is not guaranteed.

ADDITIONAL SERVICES

1. Businesses filing as sole proprietors (Schedule C)
2. Rental properties (Schedule E)
3. Earned Income Tax Credit
4. Filing Separately
5. Injured Spouse
6. Moving and filing multiple tax jurisdictions
7. Out of state tax returns
8. Accounting work necessary to prepare the tax returns
9. Consultations
10. Etc, etc.

These services are all available to you. Additional fees apply.

CONCLUSION

We are still a very affordable tax preparation firm. Our average tax return is around \$250. We think that you'll enjoy the expertise and personal service that we can deliver.
